ABOUT US

Bynum School is the only public or private school in West Texas that provides uninterrupted year-round services to students with special needs. We currently enroll more than 120 students, ages 3 - adult, who exhibit intellectual disabilities, autism spectrum disorders, various learning disabilities, unique and rare syndromes, and medical fragility.

YOUR GIFT

- Provides individualized education to students with special needs
- Makes student grants available to those in need of tuition assistance
- Assists adults in their quest to become contributing citizens of our community with job and life skills training
- Offers therapies on campus to students who qualify
